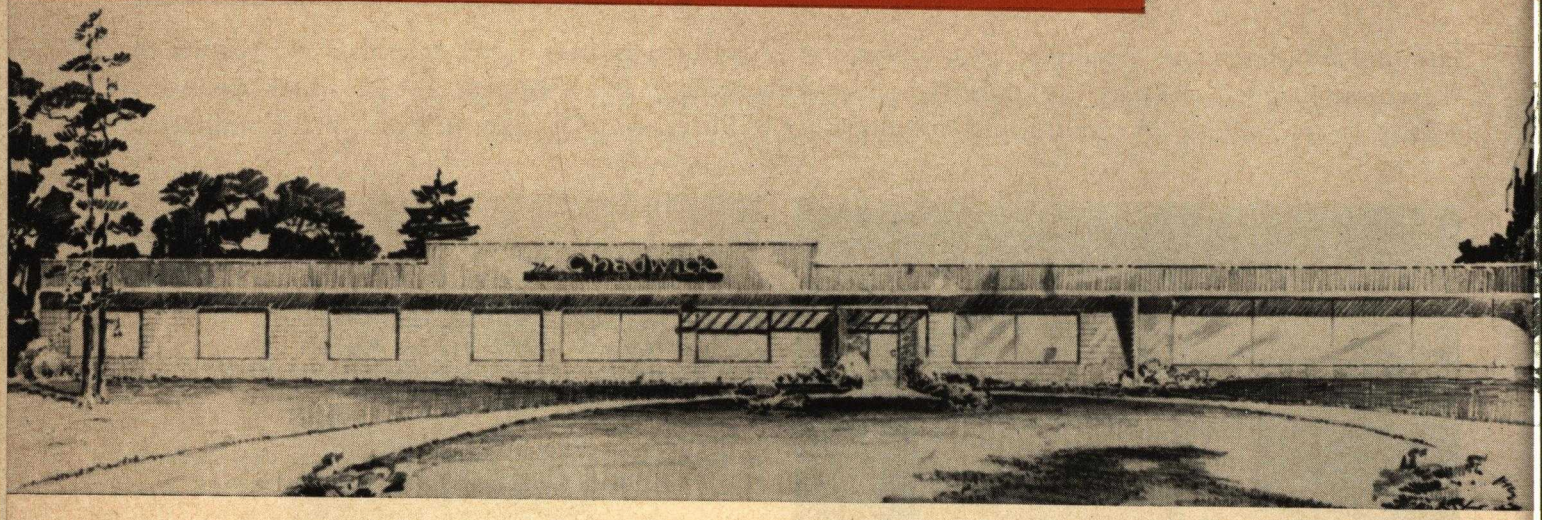
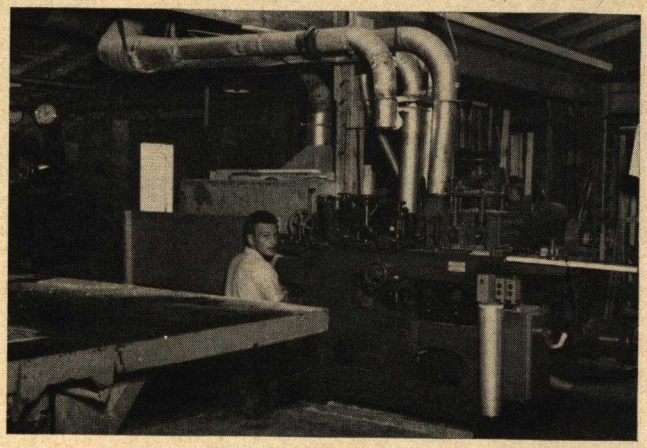
services and facilities...



Our highly experienced engineering staff is placed at your disposal for design, layout, shop drawings, estimating, and general help in meeting your problems.

Modern equipment, in the hands of skilled craftsmen, makes the Chadwick team capable of producing quality fixtures found in a wide variety of installations throughout the central States.



Among the items we manufacture you will find a complete line of fixtures for banks, cocktail lounges, restaurants, stores, bars, loan offices. We fabricate lavatory tops, cabinets and counters of all kinds, glazed and solid partitions, gates and doors, stools, tables, booths, planters, preformed church pews and church fixtures. We also make up and install wall paneling and wainscoting. In short, we can provide for you the answer to any special problems you might have in the fabrication of standard and special fixtures.
